Our Vision

Our Vision is to remain an Industry Leader in the multi-disciplines which we currently operate within the Civil Engineering Industry and to expand this in the Economy in Malawi.

We strive to be the industry's partner of choice by delivering quality and value in the various construction sectors through intergrated solutions and services

Bua Construction Company strives always to create a desirable place of work within a safe working environment

About us

Bua Construction Company has managed finances properly in all the previous years hence we have the capacity to commence and complete a project to the employer's satisfaction and within the stipulated contract duration.

In addition to the sound financial record Bua Construction Company owns the following.

Executive Residential House on Plot No. BW/434/42 and Nancholi which is valued at **MK180,000,000.00** by landed property agent limited both as on **AUGUST, 2023.**

With the above asset we are very optimistic we can enjoy a reasonable amount of credit facility of **MK400,000,000.00 (FOUR HUNDRED MILLION KWACHA ONLY)**

About us

POWER SUBSTATION & TRANSMISSION LINE CIVIL WORKS

Bua Construction Company has been undertaking civil works construction for power sub stations for the past years in Malawi, this scope ranges from Earth works, transformer and outdoor equipment foundations, oil pits, cable trenches, control building, fences, boundary walls drainages, substation internal and access roads

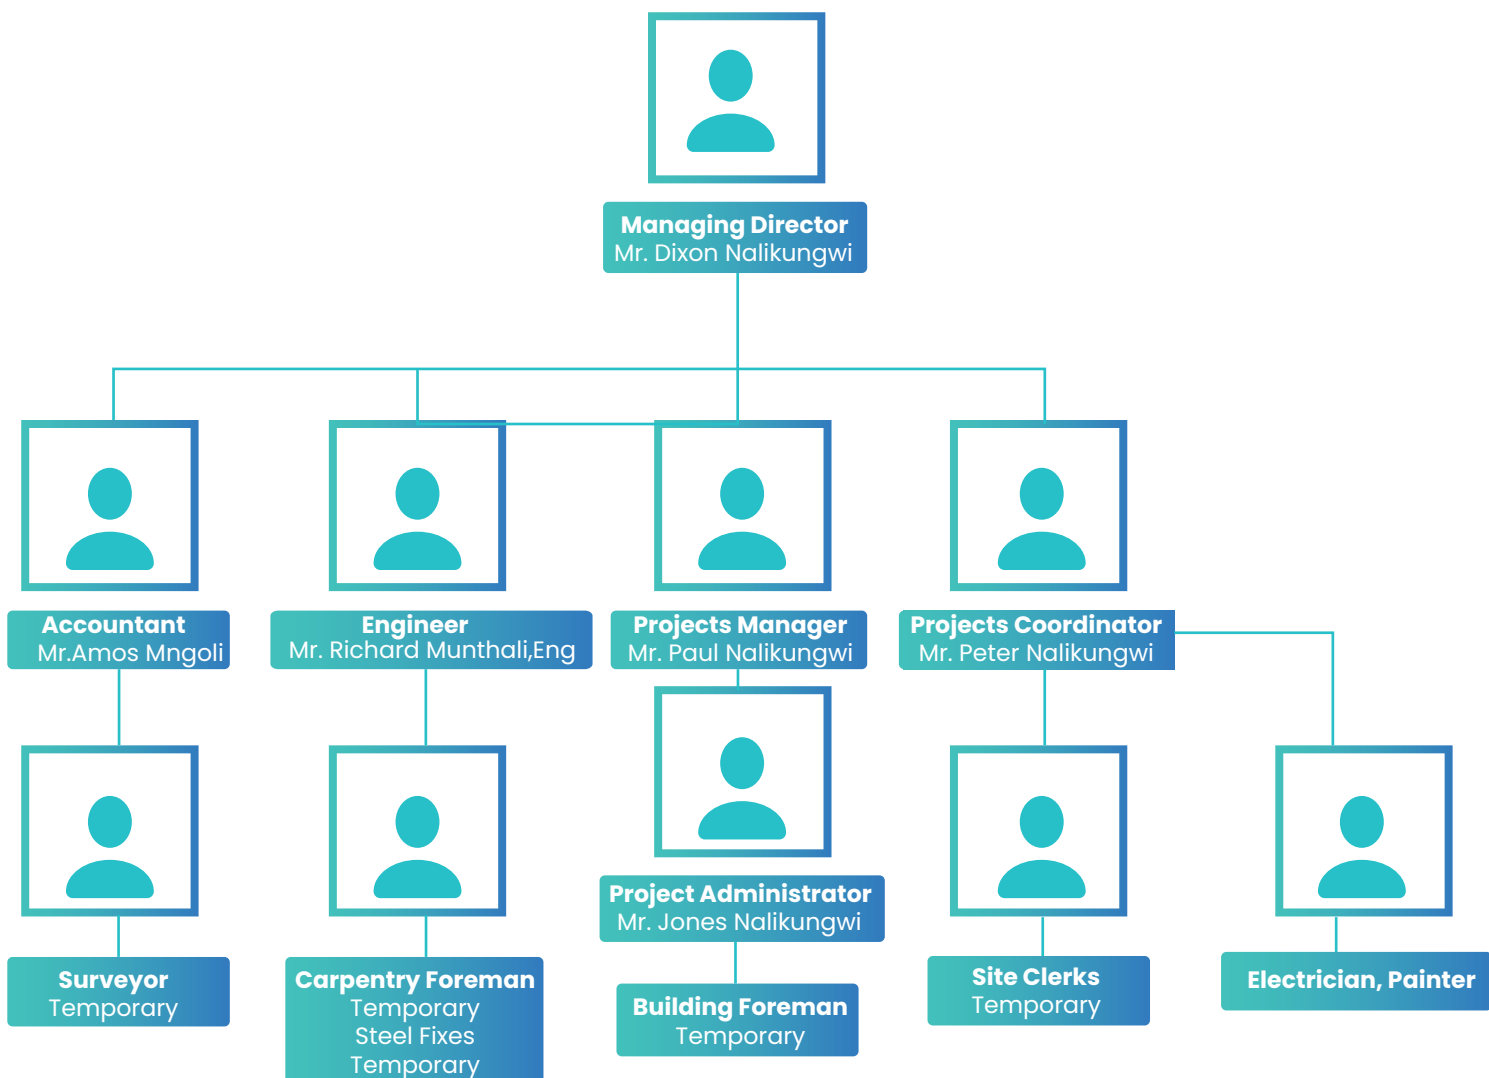

About us

BUILDING CONSTRUCTION

We have vast experience in the building industry where we have constructed both high - rise and low-rise residential buildings, commercial buildings and also institutional buildings

Your reference

Dear Sir/Madam,

Bank Reference – Bua Construction Company

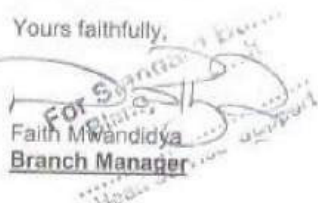

We hereby certify that the subject business maintains account number 9100000098415 in our books. The account is well conducted with no any dishonoured instruments on record and client is deemed credit worthy.

We have been informed that they are tendering for contract works with your organization and that one of the requirements is for them to furnish you with this report. Judging from their business current account statistics in our books, we believe they are capable of performing successfully should they be awarded any contract works in their line of business.

Should the client be successful with their bid for the above contract works and of course, subject to being fully satisfied with the business financial performance and collateral offered at the time of request, we would be prepared to provide them with credit facilities of up to MK100 million for operational finance and guarantees.

This report is furnished without any responsibility on the part of the bank or any of its officers giving it.

Yours faithfully,
